Re: SC House District 64

I am writing to formally notify you that, after careful consideration, I have decided to withdraw my candidacy for South Carolina House District 64.

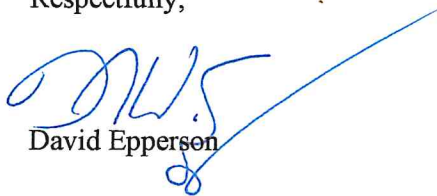

This decision was not made lightly. I remain deeply committed to the values of public service and to the people of Clarendon County. However, after reflecting on my family priorities and professional responsibilities, I have concluded that the timing is not right for me to continue in this race.

I am sincerely grateful for the encouragement, support, and confidence that many members of the Democratic Party and our community have shown me. It has meant a great deal, and I appreciate the opportunity to have been considered for this role.

Although I am stepping aside from this campaign, I remain committed to supporting and working toward the continued progress and success of Clarendon County and the State of South Carolina.

Thank you again for your support and understanding.

Respectfully,

  
David Epperson
